The Diamond Lines are Professional Nylon Copolymer:

- Demand the finest in a shaped trimmer line
- 20-30% more rigidity for diamond like cutting performance
- Greater momentum provides higher impact resulting from 10% greater line mass
- Diamond designed cutting edges for greater cutting power
- Special copolymer formulation for excellent wear, durability and cutting performance

The Ultimate in Commercial Trimmer Line

- Optimum round line performance
- Superior wear: Formulated using the highest quality copolymers to provide maximum line life
- Outstanding Toughness: Engineered for ultimate impact resistance
- Processed to minimize line split and frays
- Designed to provide weld resistant performance
