Renewable Electricity Contract

Declaration

Presented to:

Gyron Internet Limited

For choosing a REGO backed contract sourced by electricity generated from renewable sources between 01/03/2020 and 30/09/2022

E.ON declares that it will procure sufficient electricity that meets E.ON’s interpretation of the WRI GHG Protocol Scope 2 Guidance from renewable wind sources with zero carbon emissions to match your expected electricity demand.

Electricity generated from renewable wind sources to match your expected electricity consumption is provided to this site and 17 other sites.
