HETZNER FINLAND OY
has chosen 100% renewable energy
50% WIND POWER
50% HYDRO POWER
and is therefore a
CONTRIBUTOR
TO A CLEANER
FUTURE

The origin of electricity is certified with Guarantees of Origin (GoO) in accordance with the RES–E Directive. The guarantees of origin have been granted in accordance with the EECS (European Energy Certificate System) standard. Oomi Oy acquires a corresponding amount of electricity certified with a guarantee of origin, which is verified by an auditor each year.
